

SOUTHERN MAINE TRACTOR CLUB

July 21st 2017

WEBSITE: WWW.SOMETRACTORCLUB.ORG

A huge shout out to Zak Kennedy for bringing his sled to the pulls, it's a lot of work & time on his behalf & we certainly appreciate it. Also, want to thank Boomie for his time & equipment at Reeds. You both made it a great pull at Reed's Farm this past weekend!!!

We got to see some familiar faces on Sunday that we usually don't see except for if you go to the Sandown pulls or to the big transfer sled pulls at the fairs. I was great to see Roger Creighton, Gary Bill, both Carl West's, & Karen Tice.

Don't forget our only fundraising event "Acton Fair" is coming up and many hands are needed to assist with the truck pull on Saturday 8/26 and transfer sled tractor pulling on Sunday 8/27.. From everything we are hearing the truck pull will be a substantial event with trucks coming from all over New England including a number of well enhanced hot rods Please get a hold of me if you are going to be able to pitch in.

Thanks

Glenn

Our next pull will be Aug 13th at the Reed Farm.
