President's message!

With the 2017 pulling season in the books I think as a whole we had a great year, as with anything there are always a few bumps in the track to keep it interesting. As you are aware I implemented a new bad weather policy with the pulling committee making the go – no go decisions with regards to rain outs and track conditions. We are currently working on new pulling locations as well as reinforcing old ones. On my mind recently was approaching Ossipee valley fair (good spot rain or shine) & Acton Fair grounds for at least one two day event in addition to the fair, And am looking for input from the club regarding our wishes on Mite-e- Joe campground, as you are aware there has been much conversation about this location and I am sure it will come up at the annual meeting. I have also been approached about doing something for the Sebago days, a meeting with them is in the process of being scheduled. Scale rental for both Sandwich Fair and the Acton fair has proved to be very beneficial to our cash reserve, and will be bring this up at the annual meeting

With our last pull being done on October 22 at Cole Mine Campground we are now planning our end of the year awards meeting. The meeting will be Dec 3rd at Lynnsky's in Ossipee NH at 1:30. Please let Kathy know by 11/25 if you will be attending. Cell 520-4211, Facebook or e-mail at kathy@lakesfire.com.

At the next meeting we will asking for nominations for all the committee positions so start thinking about who you would like to nominate!

A Huge shout out to all that helped throughout the season especially with getting the set up & take down done. Many hands make for light work!!!
