President's Corner

It seems usually cold for Labor Day but it has been a strange summer. Let's hope for a good fall. The pull at Greg Reed's Farm, that was cancelled, has been moved to October 17th & 18th. Stone boat the first day and transfer sled the second. That is if the sled does not get damaged at the Rochester Fair Truck Pull on Thursday night, the 24th. Start times for both October 17th and 18th will be 9AM. Rochester Fair Pulls are as follows September 19th start at 1PM with the transfer sled and classes running as they did in Acton with no wiffle tree or King of the Hill. September 27th will be stone boat starting at 9am classes 2600 thru 10,000. Don't forget 9/11 through the 13th is the Good Sam Club Samboree at the Fryeburg Fairgrounds and they would like some tractors to show and parade. Take your tractor camping. Now it's time to think about the end of the year banquet. More to come, be thinking about it. We had a great day at Andwemet Farms. A picnic lunch at noon and no cheating. Really there wasn't any cheating, was there Willie?
