JUNE 28TH PULL AT OSS�PEE VALLEY FAIRGROUNDS

PRESIDENT'S CORNER

NOTICE JUNE 21ST PULL AT OSS�PEE VALLEY FAIRGROUNDS HAS BEEN CHANGED TO JUNE 28TH due to a scheduling conflict. 9 am stone boat.

I want to thank everyone who helps set up and works during the pulls. That's what make our pulls a success.

I can't believe its June and we are halfway through the year. Soon, the days will start being shorter and pulling season will get busy.

At Ossipee Valley Fair, we will have the transfer sled if all goes well. We will be mixing up classes; 2600, 6500, 3000, 7500, 3500, 8500, 4500, 10,000, 5500, 12,500 and 14, 000. The pull starts at 9AM. We will see how this works and tweak it for Acton Fair so watch your newsletter.

There will be a truck pull at Ossipee Valley Fair on July 8th at 6 pm. They will be using Lenny's sled and would like some of the club members to help. Bring your buddy's truck and see what it's got.

At an auction I was at, there was a hoveround power chair. I was thinking in a few years that would be us old tractor puller seeing how much our hoverounds would pull. Can't you see Lenny putting oversize piston in his and extra lead weights on the wheels.

See you soon,
Frank
