

SOUTHERN MAINE TRACTOR CLUB

September 21st 2018

WEBSITE: WWW.SOMETRACTORCLUB.ORG

Hello all,

The results of the last pull at the Acton fairgrounds are included. I apologize but I made a mistake in the 6500 lb class with the results. Found it when I was typing it up. The 3rd, 4th & 5th places I listed wrong. Should have been Lee Pudvah 4th, Kailyn Murphy 5th and Robert Clock 6th.

I have also included the points total as of this newsletter. Some of the classes are very close.

Our next and final pull scheduled for Oct 21st is now a 2 day pull. Oct 20th & 21st & will be held at the Acton fairgrounds. The 20th will be stoneboat and the 21st will be transfer sled.
